

# Lavender's Blue

Lavender's blue,  
Diddle diddle,  
Lavender's green!  
When I am king,  
Diddle diddle,  
You shall be queen!

Call up your men,  
Diddle diddle,  
Set them to work!  
Some to the plow,  
Diddle diddle,  
Some to the cart.

Some to make hay,  
Diddle diddle,  
Some to cut corn!  
While you and I,  
Diddle diddle,  
Keep ourselves warm.
