

Battle of the Alamo

What is the Battle of the Alamo? The Battle of the Alamo was a battle that took place at the Alamo (an old Spanish Mission) during the Texas Revolution in 1836 in San Antonio, Texas.

Why did it happen? At the time of the battle, Texas belonged to Mexico. The Texians wanted their independence from Mexico, therefore the Texians fought against the Mexican troops in an attempt to gain their independence.

Who was Davy Crockett? Davy Crockett was a hero, soldier, and congressman who died at the Battle of the Alamo fighting for Texas' independence from Mexico.

What happened as a result of the Battle of the Alamo? Santa Anna's Mexican troops seized the Alamo and the majority of the Texians who had occupied the Alamo during the battle were killed.

What is the significance of the phrase "Remember the Alamo"? The phrase "Remember the Alamo" refers to the rallying cry of the Texians in their quest for independence from Mexico and recalls the fight of the Texians when they were defending themselves at the Alamo.
